**WATERVILLE VALLEY BLACK AND BLUE TRAIL SMASHERS  
SKI EDUCATIONAL FOUNDATION  
WORKER CREDIT POLICY AGREEMENT-2008/2009 Season**

**INTRODUCTION**

Waterville Valley Black and Blue Trail Smashers Ski Educational Foundation (“WVBBTS/SEF”), a 501(c)(3) non-profit organization, owns and operates Waterville Valley Academy and the BBTS Ski Club. When we enroll our children in Waterville Valley Academy for three months or longer or we enroll our children in the BBTS Ski Club we make two commitments-a financial one to pay our Academy tuition and fees or Club fees, as applicable, and an equally important one to donate our time towards competition events hosted by WVBBTS/SEF. There really is no better way to support your child and WVBBTS/SEF simultaneously than to help with these competition events. There is a camaraderie and sense of community that comes with this whether you are helping your own child or those of Academy parents and club members. Any of us who enroll in the Masters Program also make this same type of two part commitment-financial and to our fellow competitors.

The event sign-up sheets will be available at the BBTS Coaches Night on Saturday, December 6<sup>th</sup> followed by on-line sign-up at [www.wvbbts.org](http://www.wvbbts.org).

You are encouraged to take a leadership role and learn to become a Chief of Race, Chief of Course, or Start/Finish Referee. The first two positions are simply learned by observing and being mentored. The Chief of Race and Chief of Course are expected to coordinate and call all workers 3-4 days before the event; these positions also earn 2 credits for each event worked. Alternatively, for becoming a Start/Finish Referee there is a specific training clinic that will be offered. Please contact us at [wvbbts@wvbbts.org](mailto:wvbbts@wvbbts.org) for further details. All four of these positions require a USSA Alpine Official card that is simply applied for at [www.ussa.org](http://www.ussa.org). Remember there are many ways to fulfill this commitment either on snow or inside and behind the scenes of a competition. Parents with only Mitey Mites or GROMS in the program will have a requirement to work **one** competition during the 2008-09 season.

Please read the Worker Credit Policy set forth below. Although the policy provides that you will be charged if worker credit requirements are not met, it is not at all our intention for parents to rely on that option. Why is that? We believe the answer is two-fold. First-this is really a **parent participation** program (not a worker program) and our young athletes will feel this support from each of you both on snow and off. Second-it will become impossible for WVBBTS/SEF to support competitions at our home mountain without the valued support of each of you.

WVBBTS/SEF has maintained the finest reputation throughout the years for organizing the best competitions in New England because of the commitment of its Academy parents and BBTS Club members in producing these events. Let us all take an active role in upholding that legacy for our children.

If you have any questions on the above please e-mail us at [wvbbts@wvbbts.org](mailto:wvbbts@wvbbts.org). Thank you.
