WVBBS Worker Credit Information & Policy

Waterville Valley Black and Blue Trail Smashers Snowsports Educational Foundation ("WVBBS/SEF"), a 501(c)3 non-profit organization, owns and operates Waterville Valley Academy and the WVBBS Snowsports Club. When we enroll our children in Waterville Valley Academy for three months or longer or we enroll our children in the WVBBS Snowsports Club we make two commitments - a financial one to pay our Academy tuition and fees or Club fees, as applicable, and an equally important one to donate our time towards competition events hosted by WVBBS/SEF. There really is no better way to support your child and WVBBS/SEF simultaneously than to help with these competition events. There is a camaraderie and sense of community that comes with this whether you are helping your own child or those of other Academy parents and club members. Any of us who enroll in the Masters Program also make this same type of two-part commitment - financial and to our fellow competitors.

Remember there are many ways to fulfill this commitment either on snow or inside and behind the scenes of a competition. You are encouraged to take a leadership role and learn to become a Chief of Race, Chief of Course, or Start/Finish Referee. Chief of Race and Chief of Course positions are simply learned by observing and being mentored. The Chief of Race and Chief of Course are expected to coordinate and call all workers 3-4 days before the event; these positions also earn 2 credits for each event worked. To become a Start/Finish Referee there is a specific training clinic that will be offered. Please contact us at contact_us@wvbbs.org for further details. All four of these positions require a USSA Alpine Official card that is simply applied for at www.ussa.org.

Please read the Worker Credit Policy set forth below. Although the policy provides that you will be charged if worker credit requirements are not met, it is not at all our intention for parents to rely on that option. Why is that? We believe the answer is two-fold. **First-** this is really a **parent participation** program (not a worker program) and our young athletes will feel this support from each of you both on snow and off. **Second-** it will become impossible for WVBBS/SEF to support competitions at our home mountain without the valued support of each of you.

WVBBS/SEF has maintained the finest reputation throughout the years for organizing the best competitions in New England because of the commitment of its Academy parents and WVBBS Club members in producing these events. Let us all take an active role in upholding that legacy for our children. If you have any questions, please e-mail us at contact_us@wvbbs.org, or refer to the worker credit handbook online at http://bit.ly/wvbbs_wc_handbook. Thank you.

WVBBS/SEF Competition Worker Credit Policy & Agreement 2011-2012

Who Must Work - All members of the weekend WVBBS program who have children that are enrolled in Mitey Mites, GROMS and J5 through J1 alpine, freestyle and snowboard programs. A widow or widower is required to work ½ of the worker credit requirements. Each event worked is equal to one race credit (*unless otherwise provided in the Worker Credit Handbook*). Families with children enrolled in multiple programs must earn the larger number of credits.

Worker Credit Requirements - **Six (6) per family** for families with alpine/freestyle J5 through J1 athletes; **Four (4) per family** for families with snowboard athletes; **One (1) per family** for families with Mitey Mites/ GROMS athletes only; **WVA Students, three (3) months or longer**, two (2) worker credits per family; **Masters Program athletes** when we are hosting a Masters Race you must supply someone to work the race for you. If you are not racing then you are required to work the race.

What If You Choose Not to Work - Although not encouraged, families may elect not to work and pay **\$200 per worker credit requirement** at the time of the annual application submission (in the case of WVA families, election must be made at the time of submission of the WVA Enrollment Contract and payment must be made on or before November 1, 2011). Not fulfilling the race worker obligation, and not paying the fee in advance, will result in an **additional fee of \$100** per worker credit (equaling a total of \$300 per worker credit).

What If You Sign Up and Don't Show - After a member or Academy parent signs up for an event, he or she may change event(s) two weeks prior to the event. Within two (2) weeks, it is the member's or Academy parent's responsibility to find a substitute. If he or she cannot find a substitute or does not work the event, they will be assessed a charge of \$300 per event (even if you have worked all your worker credits by the end of the ski season) at the end of the ski season which will be due net 30 from date of invoice. **If this amount is not received prior to the start of the 2011/2012 ski season then the member will not be allowed to join the Club or WVA until payment is received.**

Sign Ups - will be held online, starting on a date to be determined. You will receive two (2) emails with information for the start/opening time and date for the sign up process. A third email will give you a user name and password to access the sign up page.

Worker Credit Handbook - By execution of this Race Worker Credit Policy/Agreement the undersigned agree that they have read, understand and agree to abide by the Worker Credit Handbook at http://bit.ly/wvbbs_wc_handbook

Harassment and bullying have no place in the WVBBS community and will not be tolerated. It is unlawful to engage in harassing and bullying activities.

Definition Of Harassment:

1. Harassment is any physical or verbal abuse of a person because of their race, religion, age, gender, disability or any other legally protected status. Harassment in the workplace can further be clarified as any conduct that creates significant anguish to another person with the intent to bother, scare or emotionally abuse them.

Reporting of Harassment or Bullying: Athletes and students who have reason to believe that an incident of harassment or bullying might or did occur shall report such belief to any coach, teacher, or BBS administrator. 3. Some acts of harassment/bullying may also be illegal and may be prosecuted under state law.
4. Nothing in this policy shall limit or preclude WVBBS from disciplining a student or other person affiliated with WVBBS, under any other WVBBS policy, as well as under the terms of this policy.

WVBBS Parents Code Of Conduct

The goal of WVBBS/SEF is to make competitive snowsports fun for athletes of all ages while training and competing in a safe appropriate training environment. It is imperative that athletes, coaches, parents, families, spectators and race officials conduct themselves with the highest degree of sportsmanship. To facilitate this objective, WVBBS, USSA, NHARA and other associated competitive snow sports organizations have a Code of Conduct for the athletes, WVBBS has also extended these expectations to include the following Parent's Code of Conduct. Specifically, everyone associated with the BBS program will be expected to promote a constructive and positive atmosphere both in and away from the training venue.

I hereby pledge to provide positive support and encouragement for my child participating in competitive snow sports with WVBBS by following this Parents' Code of Conduct.

- I will learn the rules of the competitive snow sport of choice and abide by the policies of WVBPTS, NHARA, USSA, FIS and any other snow sport governing association.
- My guests and I will be positive role models for my child and encourage sportsmanship, respect and courtesy, and adhere to WVBPTS core values of Integrity, Teamwork, Learning and Excellence.
