BELIEVE TO ACHIEVE

BELIEVE TO ACHIEVE

PETER STOKLOZA AND PAT MOORE

The theme of our Annual Fund is BELIEVE TO ACHIEVE! Success comes from great coaching plus athlete determination and commitment. A youngster joins BBTS, experiences success as a Mitey Mite and then graduates to a specific snowsport. Older kids join the Club because they know this is where they can become their best. It is our kids' ability to believe in themselves, and our belief as coaches and parents, that paves the way for them to achieve their dreams.

This Annual Fund has real momentum - we've already brought in \$50,000 towards our goal of \$80,000. If you donated, THANK YOU! If you haven't given yet, I urge you to join me in donating so that we meet our goal and significantly increase the number of participating families. All gifts are important and ensure consistently exceptional athletic and academic environments for your children.

BBTS is about creating relationships and fostering values that develop healthy engaged global citizens. Your gift will enable each athlete to get what they need on and off snow so that they believe in themselves and can do what it takes to achieve their goals. Thank you very much!
